## Research Promotion Policy

### 1. Introduction:

The college's research promotion policy is designed with the objective of fostering a vibrant research culture among faculty, research students, and undergraduate and postgraduate students of Indira Mahavidyalaya. The overarching goal is to enhance the professional competence of faculty members. This policy is geared towards instilling a scientific temperament among all teaching staff and facilitating their active participation in research activities.

The policy is committed to ensuring that all research activities conducted by the college adhere to applicable rules and regulations. Additionally, it seeks to establish and maintain standards that govern the safe and ethical conduct of research within the institution. In light of these considerations, the Indira Mahavidyalaya Research Promotion Policy is being implemented to promote a conducive environment for research and uphold the principles of responsible and ethical research practices.

### 2. Purpose:

The aim of the Research Policy is to cultivate a dynamic research environment among both faculty and students at Indira Mahavidyalaya. It is intended to function as a comprehensive framework that guides and governs the conduct of research activities within the institution.

### 3. Scope:

This Research Policy is applicable across the entire college and is designed to be implemented in all departments of Indira Mahavidyalaya. It serves as a guiding framework and a set of guidelines for research activities throughout the institution.

### 4. Objectives:

- 4.1. Establishing a conducive environment within the College to cultivate a research-oriented culture and offering necessary support through a structured research framework and guidelines.
- 4.2. Guaranteeing a high level of efficient and effective support systems to assist faculty and students in their research endeavors.
- 4.3. Ensuring publications in journals recommended by the UGC, peer-reviewed journals, and those indexed in PubMed/Scopus/Web of Science, or possessing an impact factor.
- 4.4. Cultivating an atmosphere conducive to socially impactful research with the potential for commercialization.
- 4.5. Creating Research Centers within the College aimed at achieving excellence.
- 4.6. Facilitating interdisciplinary collaborations both within and outside the College campus and fostering partnerships at national and global levels.

## **5. Policy and Guidelines:**

### **5.1 Undertaking Research**

Faculty members at Indira Mahavidyalaya are anticipated to engage in research endeavors, resulting in high-quality publications, presentations at reputable national/international conferences, the creation of intellectual property with potential for commercialization, socially impactful outcomes, and other related research activities.

### **5.2 Obligations of Faculty**

Research output will be considered as one of the criteria for faculty recruitment and promotion, in conjunction with other academic responsibilities.

### **5.3 Recruitment and Promotion**

Indira Mahavidyalaya will seek to recruit faculty members with proven capabilities in research. Faculty promotions may be contingent on the extent of research undertaken. The evaluation of research output, particularly research publications, will be based on established criteria such as Impact Factor (IF), subject to periodic revisions as deemed appropriate.

### **5.4 Disciplinary Actions Against Academic Dishonesty**

It is expected that all individuals engaged in research, including faculty, researchers, and postgraduate researchers, will uphold the highest ethical standards of conduct. This includes maintaining data integrity and adhering to ethical guidelines provided periodically for research activities. Every faculty member and researcher is required to observe academic honesty in their research work, being cautious to avoid any form of academic dishonesty. In the event of reported academic dishonesty against an individual or a group, a disciplinary committee, acting under the direction of the Principal, will be established to conduct an inquiry. If found guilty, suitable disciplinary action may be initiated against the individual or group involved.

### **5.6 Student Research**

To elevate the quality of research output, the college will facilitate student mentorship and internships throughout the academic year and/or during vacations. This initiative aims to encourage undergraduate and postgraduate students to actively engage in research activities, ultimately leading to tangible outcomes.

### **5.7 Quality of Publications**

Research conducted at Indira Mahavidyalaya is expected to meet high standards of quality and ethical conduct. Currently, the recognition of research contributions at Indira Mahavidyalaya is based on the Impact Factor provided by Thomson Reuters. The institution promotes publications in journals indexed in PubMed, Scopus, and Web of Science. It is acknowledged that the policy may be subject to revision in the future as deemed necessary.

### **5.8 Periodic Review of Research Output**

Each department will conduct periodic reviews of research output and submit relevant information to the Research Committee for assessment. This process will be undertaken regularly to identify any necessary corrective actions.

## **6. Institutional Biosafety Committee:**

Indira Mahavidyalaya has developed Institutional biosafety committee for the workable management of waste of different lab activities which has been conducted during semester. Also monitor research and teaching activities conducted by students and faculty that involve use of biological agents and supporting materials.

## 7. Research Committee Members

A committee is in force with the following members contributing in a big way to prepare and implement the documents related to research and development activities within the College.

SN	Name	Position	Committee Designation
01	Dr. P.B. Mandavkar	Principal	Chairman
02	Dr. M.P. Rakhunde	HOD, Department of Commerce	Member

## Code of Research Ethics & Conduct for Researchers

### Introduction

Indira Mahavidyalaya, Kalamb is dedicated to advancing research and enhancing research practices. Research plays a crucial role in generating new knowledge, involving brainstorming, field and laboratory experiments, and observations. However, potential risks such as instrument handling hazards, chemical hazards, biosafety hazards, and fieldwork hazards must be minimized to ensure the safety, dignity, rights, and well-being of individuals participating in or associated with research activities. Therefore, it is imperative that research is conducted with the highest ethical standards, aligning with the values set by Indira Mahavidyalaya. In this policy, the term 'researcher' encompasses staff, students, and any other individuals engaged in research projects to which this policy applies.

This Code of Ethics in Research establishes overarching ethical standards to guide scholars toward the highest values in scholarly research. The principles delineate aspirational goals and set enforceable norms to steer researchers toward ethical behavior. Importantly, these principles align with the mission and values of our college. The Code of Ethics in Research is applicable to all faculty members at Indira Mahavidyalaya, Kalamb. As a result, the principles are expressed in a generic manner to apply to academics across diverse disciplines using various inquiry techniques, with the exact application varying based on the researcher's specific setting.

### Preamble

The faculty and research staff at Indira Mahavidyalaya, Kalamb share a collective belief that our role as scholars involves a dedicated commitment to advancing knowledge and fostering the growth of students and fellow researchers. In addition to our endeavors to uphold the principles of scholarly integrity and academic freedom, we acknowledge our responsibility to align with the vision-mission of our institution and contribute to the interests it aims to serve and develop. Understanding our duty to the public, we pledge to maintain the utmost level of integrity and ethical standards, aiming to be deserving of the trust placed in us by the public.

### Aim of Research Ethics Policy

To cultivate an environment and culture that embraces principles, regulatory requirements, and best practices, and to provide continuous support and training to both staff and students. This commitment is aimed at ensuring the maintenance of the highest ethical standards in their research endeavors.

### **Objectives of Research Ethics Policy:**

- To ensure that all research activity undertaken by Indira Mahavidyalaya complies with agreed ethical standards.
- To promote and inspire researchers to undertake basic and applied research activities which has national and international importance.

### **A. Statement of Integrity and Honesty:**

1. Conduct all research in conformity with acknowledged standards.
2. Verify all research data acquired and/or used by us and our collaborators.
3. Ensure only correct data, information and research results are reported in journals, conferences and client reports.
4. Take reasonable steps to remedy substantial inaccuracies in our published data via erratum, retraction or correction.
5. Avoid vague, deceptive statements and pronouncements. If we learn of a misconception, we must issue an explanation or rectification.
6. Don't make statements that our study does not support.

### **B. Statement of Fairness in Research Management & Justices:**

1. Respect peers, colleagues, students and research subjects.
2. Help other researchers, especially if we are competent.
3. Respect the confidentiality and intellectual property of peers, colleagues and students whose work we examine for publication, presentation or grant financing.
4. Maintain equipment, resources and results.
5. Authorship should reflect collaborators' research contributions.
6. Acknowledge others' contributions and research discoveries that we may have used.
7. Recognize others' research contributions.

### **C. Statement of Safety:**

1. All research should be safe.
2. Don't intentionally break research rules.
3. Don't damage, stress or discomfort any life in an experiment that hasn't benefited human society.
4. Ensure lab wastes are properly discarded or processed and research does not harm the environment.
5. Warn users of potential hazards to their interests.

### **D. Statement of Confidentiality and Autonomy Rights:**

1. Protect the right to privacy and confidentiality of our participants.
2. Ensure that all human participants in our tests or research have informed consent. That is, individuals are allowed to decide on their participation only after they have been presented with pertinent information.
3. Maintain the autonomy of participants, especially students and subordinates, by not presenting inducements that could be used to compel them into participation.
4. Protect the rights and welfare of individuals and groups whose status and vulnerabilities may hinder their ability to make independent decisions.

**E. Statement of Gender Equality and Gender Awareness:**

1. Create and maintain an environment where students, instructors and non-teaching staff can work together free from all types of gender-based violence, harassment and discrimination.
2. Instill a zero-tolerance policy for gender discrimination and gender insensitivity and prevent gender stereotyping.
3. Ensure that all women and men have equal access to opportunities without discrimination.

**F. Statement of Religion or Belief Discrimination:**

1. Ensure that no students, teachers or non-teaching staff are subjected to discrimination on the basis of religion, race, caste, gender, place of birth or any of these factors.

## Central Instrumentation Cell

The **Central Instrumentation Centre (CIC)** at Indira Mahavidyalaya Kalamb was inaugurated on November 15, 2022, to enhance the research environment within the institution. This facility is accessible to all faculty members and researchers affiliated with the college.

The CIC plays a crucial role in supporting research, teaching, and innovation across various disciplines. This policy document aims to outline the guidelines, procedures, and responsibilities associated with the usage of instruments and equipment within the Centre.

### Access and Eligibility

- Faculty members, researchers, and students with a valid association with Indira Mahavidyalaya, Kalamb are eligible to use the instruments.
- External researchers may be granted access on a case-by-case basis with prior approval from the Centre head.
- Users must undergo mandatory training sessions on instrument operation and safety.
- Users must be certified by CIF staff before independent use of instruments.

### Instrument Reservation

- Users are encouraged to plan their sessions in advance, specifying the purpose and estimated duration.
- Priority will be given to ongoing research projects, academic courses, and collaborative initiatives.
- Users must adhere to scheduled reservation times to maintain fairness.

### Safety and Compliance

- Users must adhere to all safety guidelines and wear appropriate personal protective equipment (Such as Apron; Eye Protective Glass; Surgical Mask, Glove, Shoose).
- CIC staff reserves the right to halt operations if safety protocols are compromised.

### Amendments and Review

- **Policy Amendments:**  
This policy may be subject to periodic review and amendments. Users will be notified of any changes.

(57) Abstract :

The present invention relates to a method for preparation of cobalt-graphene ferromagnetic contacts based spin-field effect transistors. The object is to provide Datta and Das type s-FET and Back-Gate type s-FET with cobalt-graphene nano sheets based ferromagnetic electrodes. In the construction of s-FET, the Co-Graphene nano sheets based ferromagnetic electrode having Ohmic contact behavior is used. Notable value magneto resistance is obtained for both devices as a function of temperature and gate voltage. Magneto resistance monotonically reduces as temperature increases. For greater insight into about the functioning of device, spin-polarization values are estimated at different temperatures. Switching action in both the devices are analyzed and finally it is found that Datta and Das type s-FET shows appropriate switching action. Following invention is described in detail with the help of Figure 1 of sheet 1 showing Datta and Das Type s-FET structure and Figure 2 of sheet 2 showing back-gate type s-FET structure.

(57) Abstract :

Present invention provides a high performance photovoltaic cell with sodium superoxide interlayer in polyaniline-CuO matrix. The architecture of photovoltaic cell ITO/Polyaniline-CuO/Sodium Superoxide/Polyaniline-CuO/Aluminum fabricated by doctor bleed technique. In this architecture format sodium superoxide-based PV cell exhibits significant value of power conversion efficiency 18.47% under incident power 0.2956 Watt/m<sup>2</sup>. These promising results highlight the potential application of CuO loaded PANimatrix with sodium superoxide interlayer in cost-effective way for photovoltaic application. Following invention is described in detail with the help of Figure 1 of sheet 1 showing the pictorial representation of CuO loaded PANimatrix.
