About us

Indira Mahavidyalaya, Kalamb has its rich history almost from last three decades. Our visionary leader late Dr. Bhausaheb Maudavkar founder president of the institution wanted the people of this rural tribal & undeveloped area to have higher education with open access system, irrespective of caste & colour. Institution is imparting education for upliftment of this undeveloped area.

The college is permanently affiliated to Sant Gadgebaba Amravati University. The college runs arts, commerce & science faculty. We believe that utilization of the rural youth power is critically important for India on its growth path to become global power.

About Seminar

The predominance of knowledge/intellectual capital in wealth Creation, from countries to individuals in a global economy has assumed prominence in the past few years. As we write this it would not be surprising if a nations wealth/productivity indicators are linked to it's intellectual capital rather than its GDP. The life cycle of intellectual property goes through various stages from identification to utilization with emphasis on documentation and management of the same.

Given the above, protection and management of IPRs not only assumes critical importance but enhances motivation to develop and disseminate scientific and technological innovations.

This seminar will create and facilitates a stimulating environment for the development and exchange of ideas in the management of IPR with special emphasis on budding students and faculties. The seminar aims at linking creation and protection of knowledge capital to improvement in the quality of life in the Indian context. The themes chosen focus on broad areas intended to cover the whole spectrum of issues related to knowledge capital in diverse areas.

Name of the Resource Person	Dr. A.K. Gade Department of Biotechnology Sant Gadge Baba Amaravati University, Amaravti.

The State Level Seminar on Building Awareness on Intellectual Property Rights was convened on March 12, 2019, at the Seminar Hall. With 40 participants in attendance, the seminar aimed to disseminate knowledge and foster awareness regarding Intellectual Property Rights (IPR) among stakeholders. Dr. A.K. Gade from the Department of Biotechnology at Sant Gadge Baba Amaravati University, Amaravti, served as the resource person for the seminar. His expertise in the field of biotechnology and intellectual property provided valuable insights to the participants.

The seminar provided a platform for participants to engage in discussions, share experiences, and clarify doubts regarding intellectual property rights. Interactive sessions facilitated the exchange of ideas and best practices among attendees. Participants gained a deeper understanding of the legal and procedural aspects of intellectual property protection, as well as the significance of IPR in various sectors including biotechnology, pharmaceuticals, and information technology.

The seminar concluded with a renewed commitment among participants to prioritize intellectual property protection in their respective fields. They expressed appreciation for Dr. Gade's informative sessions and the opportunity to enhance their knowledge on this crucial subject. Overall, the State Level Seminar on Building Awareness on Intellectual Property Rights served as a significant step towards fostering a culture of innovation and IPR awareness in the state.
