About us

Indira Mahavidyalaya, Kalamb has a remarkable history spanning nearly three decades. Founded by the visionary leader late Dr. Bhausaheb Mandavkar, who served as the institution's founder president, the college stands as a beacon of higher education in a rural, tribal, and underdeveloped area. Dr. Mandavkar's vision was to provide open access to higher education for all, regardless of caste or color, thereby uplifting the community in this underserved region.

Permanently affiliated with Sant Gadge Baba Amravati University, the college offers education across arts, commerce, and science faculties. By providing such diverse academic opportunities, the institution aims to empower the rural youth and harness their potential, recognizing their crucial role in India's journey towards becoming a global power.

Through its commitment to education and the betterment of the community, Indira Mahavidyalaya, Kalamb, continues to be a catalyst for positive change in the region, contributing to the overall development and progress of its students and the society at large.

About Seminar

The growing recognition of the predominance of knowledge and intellectual capital in wealth creation, both at the national and individual levels, underscores the importance of effectively managing intellectual property rights (IPRs) in today's global economy. In recent years, there has been a shift towards evaluating a nation's wealth and productivity indicators based on its intellectual capital rather than solely relying on GDP.

The selected themes for the seminar cover a wide range of issues related to knowledge capital, encompassing diverse areas such as innovation, entrepreneurship, legal frameworks, industry-academia collaborations, and the societal impact of intellectual property. By addressing these themes comprehensively, the seminar aims to provide a holistic understanding of the role of intellectual capital in driving socio-economic development and fostering innovation-led growth in India.
