Policy on Publication of Books and Book Chapters

Introduction

Indira Mahavidyalaya Kalamb recognizes the importance of fostering a vibrant research culture among faculty members and students. In line with our commitment to academic excellence and knowledge dissemination, this policy outlines guidelines and procedures for the publication of books and book chapters authored by faculty members and students.

Objective

The primary objective of this policy is to encourage and support faculty members and students of Indira Mahavidyalaya Kalamb in publishing books and book chapters that contribute to the advancement of knowledge in their respective fields. By promoting research publications, this policy aims to enrich the academic environment, enhance the reputation of the institution, and foster intellectual growth among faculty members and students.

Eligibility Criteria

Faculty members and students affiliated with Indira Mahavidyalaya Kalamb are eligible to submit proposals for the publication of books and book chapters. The eligibility criteria are as follows:

- The proposed book or book chapter must be original and make a significant contribution to the body of knowledge in the respective field.
- Faculty members must have a demonstrated track record of scholarly research and expertise in the subject matter.
- Students must have the endorsement and guidance of a faculty mentor who will oversee the development and publication of the book or book chapter.

- Co-authored books or book chapters are permissible, provided that all authors meet the eligibility criteria.

Submission Process

The submission process for books and book chapters involves the following steps:

- Faculty members and students must prepare a detailed proposal outlining the objectives, scope, methodology, and intended audience of the proposed book or book chapter.
- The proposal must be reviewed and approved by the respective department or academic committee before submission.
- Once the proposal is approved, faculty members and students may proceed with the writing and development of the book or book chapter.
- Upon completion, the manuscript must undergo peer review and editing to ensure quality and adherence to academic standards.
- The final manuscript, along with any required supplementary materials, must be submitted to reputable publishers or academic presses for consideration.

Support

Indira Mahavidyalaya Kalamb is committed to providing support and incentives to facilitate the publication of books and book chapters. Support measures may include:

- Financial assistance for publishing fees, copyright permissions, and other related expenses.
- Access to research resources, library facilities, and writing workshops to aid in the development of manuscripts.
- Recognition and awards for outstanding research publications, including book awards and citations.
- Professional development opportunities, such as seminars, conferences, and networking events with publishers and scholars in the field.

Compliance and Monitoring

Faculty members and students are expected to adhere to ethical standards and academic integrity in the preparation and publication of books and book chapters. The Research

Committee of Indira Mahavidyalaya Kalamb will monitor the implementation of this policy and provide guidance and support to ensure compliance.

The publication of books and book chapters plays a crucial role in developing a robust research culture and promoting intellectual inquiry at Indira Mahavidyalaya Kalamb. This policy aims to provide the necessary support and encouragement for faculty members and students to engage in scholarly publishing and contribute to the advancement of knowledge in their respective disciplines.

This policy is subject to periodic review and revision to align with evolving trends and best practices in academic publishing.
