Policy Document

Effective and Sustainable Management of Academic and Physical Infrastructure Facilities

Introduction:

Indira Mahavidyalay, Kalamb, is committed to providing a nurturing and well-maintained environment that fosters academic excellence and overall growth. In line with this commitment, the institution consistently allocates a percentage of its budget for the maintenance of physical and academic support facilities, excluding the salary component. This policy document outlines the guidelines and principles governing this expenditure over the last five years.

Objective:

The primary objective of this policy is to ensure effective and sustainable management of infrastructure facilities to create an atmosphere conducive to learning, research, and personal development.

Expenditure Allocation:

The institution allocates a specific percentage of its annual budget for the maintenance of physical and academic support facilities. This allocation covers various components, including:

Physical Infrastructure:

- 1.Regular maintenance and repair of classrooms, laboratories, administrative buildings, and other physical structures.
- 2. Safety and security enhancements to create a secure environment for students, faculty, and staff.
- 3. Renovation and improvement of common areas to enhance the overall campus experience.

Academic Support Facilities:

- 1. Maintenance of technological infrastructure, including computers, audio-visual equipment, and other educational aids.
- 2. Regular upkeep of library resources, including books, journals, and digital databases.

3. Maintenance of sports facilities, hostels, and other amenities contributing to the holistic development of students.

Expenditure Report:

The college administration is committed to transparency in financial matters. An annual report detailing the expenditure incurred on infrastructure maintenance will be prepared and made accessible to all stakeholders. This report will outline the allocation of funds for various projects and highlight the outcomes achieved through these investments.

Budgeting Process:

The institution will continue to follow a systematic budgeting process that considers the evolving needs of the academic community. The budget for infrastructure maintenance will be reviewed annually, taking into account factors such as inflation, technological advancements, and the overall growth of the institution.

Sustainability and Environmental Impact:

Indira Mahavidyalay recognizes the significance of sustainable practices in infrastructure management. Efforts will be made to adopt eco-friendly solutions in maintenance activities, promoting energy efficiency, waste reduction, and environmental conservation.

This policy reflects the dedication of Indira Mahavidyalay, Kalamb, to creating an environment that supports educational excellence. By allocating a specific percentage of expenditure on infrastructure maintenance, the institution aims to uphold its commitment to providing high-quality education and ensuring the overall well-being of its academic community.
