<p>The Guidance Programme on Sustainable Practices in Furniture Business was conducted on March 2, 2020, at the factory premises of Tirupati Furniture in Yavatmal. The programme aimed to facilitate knowledge and skill sharing among participants regarding sustainable practices in the furniture industry. Mr. Arun Rampurkar, a recognized expert in sustainable business practices, served as the resource person for the event. Mr. Rampurkar elucidated on the environmental, social, and economic benefits of adopting sustainable practices in furniture manufacturing and business operations. Participants gained insights into the growing consumer demand for eco-friendly furniture and the need for businesses to align with sustainable principles.</p> <p>The session proceeded with an exploration of sustainable materials and manufacturing processes commonly employed in the furniture industry. Mr. Rampurkar provided examples of renewable and recyclable materials, such as bamboo, reclaimed wood, and recycled plastics, emphasizing their potential to reduce environmental impact and promote circular economy principles. Practical demonstrations showcased eco-friendly manufacturing techniques, waste reduction strategies, and energy-efficient production methods. Participants engaged in interactive discussions on the challenges and opportunities associated with implementing sustainable practices in furniture businesses. They shared experiences, exchanged ideas, and brainstormed innovative solutions to common sustainability issues faced by the industry.</p> <p>The programme also addressed marketing strategies and consumer education initiatives aimed at promoting sustainable furniture products. Participants gained an understanding of effective communication strategies for conveying the value proposition of sustainable furniture to target audiences and fostering consumer awareness and appreciation for eco-friendly choices.</p> <p>The Guidance Programme on Sustainable Practices in Furniture Business provided participants with valuable knowledge, skills, and insights to incorporate sustainability into their furniture businesses. The event fostered a deeper understanding of the environmental and social impacts of furniture manufacturing and empowered participants to embrace sustainable practices as drivers of business success and positive societal change.</p>
