Report

Name of the Program	Interactive Session on Importance of Computing Skills in Tally
Date	18/12/2019
Number of Participants	23
Venue	Smart Class Room
Organized by	Department Of Commerce
Name of the Resource Persons	Mr. Rushi Thombre

The Department of Commerce conducted an interactive session on the Importance of Computing Skills in Tally on December 18, 2019, in the Smart Class Room. The session was attended by 23 participants eager to enhance their knowledge in this area. Mr. Rushi Thombre, the resource person, effectively exemplified the significance of computer skills in Tally, enlightening attendees on practical applications.

Ms. Madhuri Rakhunde served as the convenor, ensuring the smooth organization of the program. Dr. K. R. Nemade presided over the session as the program president, emphasizing its academic importance. Additionally, Mr. S. S. Sangle graced the event as a guest, adding value with his insights.

The session proved highly informative, providing participants with practical insights into leveraging Tally software for accounting and financial management. It was well-received by all attendees, fostering a deeper understanding and appreciation for computing skills in the field of commerce.
