Report

Name of the Program	New Features of Tally
Date	06/06/2022
Number of Participants	30
Venue	Department of Commerce
Name of the Resource Persons	Prof. Karuna Dhawad

A program on the New Features of Tally was held on 6 June 2022 at Indira College, Kalamb, attracting 30 participants, including students and faculty members. The event took place in the Department of Commerce and featured Prof. Karuna Dhawad from the International Institute of Knowledge and Research Center as the resource person. Prof. Dhawad provided an insightful session on the latest enhancements and functionalities introduced in Tally, a popular accounting software. The program was presided over by Prof. Veera Mandavkar from the Marathi department, who emphasized the significance of staying updated with technological advancements in accounting tools.

During the session, Prof. Dhawad explained various new features of Tally, highlighting improvements in user interface, data management, and reporting capabilities. The practical demonstration of these features allowed participants to understand their application in real-world scenarios, enhancing their skills in using Tally for accounting purposes. The interactive nature of the session encouraged students and faculty to ask questions and engage in discussions, making the learning experience more comprehensive and enjoyable.

The program was meticulously organized by Prof. Snehal Khandekar, ensuring a smooth flow of events. The event concluded with a vote of thanks delivered by Prof. Rupesh Atram, who expressed gratitude to Prof. Dhawad for her valuable insights and to all participants for their active involvement. The success of this program reflects Indira College's commitment to providing its students and faculty with opportunities to learn about the latest developments in their fields, thereby enhancing their professional competencies.
