endeavor and its final outcome. The process of research and the associated tasks need to be conceptualized appropriately to bring in the much-needed quality in the research. Every task involved, like collection of data, searching literature review, deriving a mathematical or computational solution or presentation of the results, requires a concrete and systematic approach. Formulation of such an approach requires immense deliberation in terms of the tools and techniques to be deployed as well.

This Online Faculty Development Programme is diligently planned around developing the foundational knowledge needed to step into the arena of research. The programme is an effort towards exploring different dimensions and paradigms of research. The sessions intend to enhance the ability of the participants to undertake independent research in a planned manner, identify appropriate and significant literature review, design questionnaires, collect and analyze data, perform simulations and, to assist them in writing research papers for good quality journals. The participants will be trained to use several open source tools that are useful in accomplishing their research outcomes. The primary tools covered are those that would aid a researcher in a systematic background knowledge probe, data visualization, and effective presentation of results, writing research paper, preparation of reports and thesis, and prevention against plagiarism. The FDP is designed to disseminate knowledge of some of the important digital tools used for academic purposes. RIT

Raman Institute of Technology

Raman Institute of Technology (RIT) Established in the year 2017 by Varamala Foundation – the corporate social responsibility arm of IMR Group – offers aspiring engineers high quality technical education. Located in Ranchi district of Jharkhand, RIT provides its learning community state-of-the-art facilities, infrastructure and a competent faculty. The Institute encourages collaborative learning between industry and academia as a means of reinforcing its curriculum with practical and real world experiences. It is this emphasis on a well-rounded education that makes RIT a preferred institute among engineering colleges in India.

CONCEPT NOTE

With the advent of technology, e-learning has become an intrinsic part of the teaching and learning process. Further the recent UGC Draft proposal on Blended learning has made it both urgent and necessary for educational institutions to work towards developing strategies for online education. Several initiatives have been undertaken in the direction of constructing an effective teaching learning environment using the fruits of technology. These include development of e-content, massive open online courses, virtual labs and knowledge repositories.

This Online Faculty Development Programme aims to develop the required skills to effectively utilize ICT tools and make them an essential component of the teaching-learning framework. The participants will be trained in developing e-content in the form of presentations, videos, infographics which are engaging and interactive and would better cater to the needs of students with different learning styles. The FDP also outlines creation and conduct of online assessments and quizzes that could support seamless and hassle-free grading and evaluation of students which would not only be simple for the teachers but also interesting for the students.

THEMES

- Basics of online learning and e-content development
- Four Quadrant Approach prescribed by the Ministry of Education
- Tools to enhance teaching pedagogy
- Applications for creating interactive learning content • Audio Podcast as a tool for enagement
- Open Educational Resources (OER)

A Brief History of the Institution

Koregaon Education Society was established at Koregaon, District- Satara on 24 March 1992 by honorable Shankarrao Jagtap, the former Speaker of Maharashtra Legislative Assembly. The motto of the institution is "Education for Knowledge, Character and value Preservation". The institution caters to the needs of secondary and higher education to economically, socially and educationally backward students in Koregaon taluka. Throughout his life, honorable president Shankarrao Jagtap struggled for the upliftment of the poor, the down-trodden, workers, farmers and labourers in Koregaon taluka. It was his dream to uplift the mass society by providing education to the sons and daughters of the poor farmers and labourers. And hence he established Koregaon Education Society, Koregaon- District- Satara.

The mass community in Koregaon tehsil depends upon farming profession. The sons and daughters of farmers were deprived of secondary education. They had to leave their education after the primary education itself. Shankarrao Jagtap alias Anna wanted to educate especially girls from this rural area. It was a dire need of the time to start an institution where knowledge is imparted with the aim of 'Education for Knowledge, Character, and Culture preservation'

The institution runs eight High Schools and one senior college. The high schools are at the villages like Dudhi- Nigedi, Palashi, Jaypur, Ambhari, Borgaon, Jalgaon, Chilewad, and Vikhale in Koregaon tehsil.

The institution established Shankarrao Jagtap Arts and Commerce College at Wagholi in Koregaon tehsil in June 2001 and opened the doors of higher education to students in this area of North Koregaon.

About the College

Until the year 2000, the facility of higher education was not reached in North Koregaon. So the institution started 'Shankarrao Jagtap Arts and Commerce College, Wagholi' in June 2001 and opened the doors of higher education to students in this area. It is located in the northern part of Koregaon Taluka. It is a rural, hilly and drought-prone area.

The college runs different Career Oriented Short Term Courses like Foundational Course in English, Personality Development, Tours and Tourism, Soft Skill development, etc. for students. The girl students are highly benefited by these courses. At present there are near about 60% girl students in this institution.

The institution runs of B.A. and B.Com degree programmes. The B.A. degree programme is on aided as well as unaided basis whereas the B.Com degree programme is on permanently unaided basis. The B.A. degree programme consists of five departments namely Marathi, Hindi, English, History and Economics. The departments of Marathi, Hindi, History and Economics are being run on aided basis whereas the department of English and the subjects of Sociology are on permanently unaided basis. The short term computer courses are self financed courses. Near about 300 students are admitted to B.A./ B.Com. degree programmes and short term computer courses.

About Professional Development Programme

In view of celebration of Birth Centenary of the founder President of Koregaon Education Society, Dist- Satara the organizing committee has organized one day state level online seminar. It is our great pleasure to enlighten the administrative staff employees on the areas of soft skills, hard skills, stress and strain relieving skills, information and knowledge of routine administrative work duly updated for the smooth and well- to- do functioning of the administration

'रोजगार व स्वयंरोजगार'वर मार्गदर्शन

व्यवसाय, व्यूरो, रोजगार स्वयंरोजगार कार्यालयाच्यावतीने इंदिरा महाविद्यालय कळंब येथे 'रोजगार व स्वयंरोजगार' या विषयावर कार्यशाळा घेण्यात आली होती. या कार्यशाळेत सुरेश कदम यांनी विद्यार्थ्यांना मार्गदर्शन केले. आजच्या युगात आणि भविष्यात, विद्यार्थ्यांना यशस्वी होण्यासाठी उत्तम नोकरी मिळवण्यासाठी किंवा व्यवसाय चालवण्यासाठी मूलभूत शैक्षणिक शिक्षण पुरेसे नाही. कारण या सर्वांसाठी काही अतिरिक्त कौशल्ये आवश्यक आहेत. सर्व शिक्षकांनी आणि शाळा प्रगालींनी त्यांच्या शिकवण्याच्या पद्धती बदलल्या पाहिजेत. विद्यार्थ्यांना भविष्यासाठी तयार करण्यासाठी कौशल्य-आधारित शिक्षण दिले पाहिजे. विद्यार्थ्यांसाठी कौशल्य विकास कार्यक्रम आणि कौशल्य-आधारित शिक्षणाचा परिचय त्यांना भविष्यासाठी तयार करण्यात मदत करेल, आणि त्यांना रोजगारक्षमता-कौशल्य शिकण्यास मदत करेल. तसेच कमकुवत विद्यार्थ्यांना शैक्षणिकदृष्ट्या मजबूत होण्यास मदत होईल. असे मौलिक विचार सुरेश कदम यांनी व्यक्त केले. या कार्यक्रमाचे अध्यक्ष महाविद्यालयातील रोजगार व

स्वयंरोजगार सेलच्या प्रभारी प्रा. डॉ. माधुरी राखुडे होत्या. कार्यक्रमाचे संचालन प्रा. डॉ. रूपेश आत्राम केले तर आभार प्रा. डॉ. बोदूलवार यांनी मानले. या कार्यक्रमासाठी पुष्पा कदम यांची प्रमुख उपस्थिती लाभली. तसेच महाविद्यालयातील डॉ. सूरज देशमुख, डॉ. प्राची बोंडे, डॉ. शरयु बोंडे, प्रा. डॉ. पी. बी. इंगळे, प्रा. सरोज लखदिवे, प्रा. स्नेहल खांडेकर, प्रा. विकी वाटकर, प्रा. प्रशांती येणूरकर, शिवाणी चंदनखेडे तसेच बहुरसंख्य विद्यार्थी उपस्थित होते. या कार्यक्रमासाठी वाणिज्य विभागाच्या प्रा. डॉ. शरयु बोंडे, प्रा. बोदूलवार प्रा. आत्राम यांचे विशेष सहकार्य लाभले.

About Seminar

The growing recognition of the predominance of knowledge and intellectual capital in wealth creation, both at the national and individual levels, underscores the importance of effectively managing intellectual property rights (IPRs) in today's global economy. In recent years, there has been a shift towards evaluating a nation's wealth and productivity indicators based on its intellectual capital rather than solely relying on GDP.

The selected themes for the seminar cover a wide range of issues related to knowledge capital, encompassing diverse areas such as innovation, entrepreneurship, legal frameworks, industry-academia collaborations, and the societal impact of intellectual property. By addressing these themes comprehensively, the seminar aims to provide a holistic understanding of the role of intellectual capital in driving socio-economic development and fostering innovation-led growth in India.

About Seminar

The growing recognition of the predominance of knowledge and intellectual capital in wealth creation, both at the national and individual levels, underscores the importance of effectively managing intellectual property rights (IPRs) in today's global economy. In recent years, there has been a shift towards evaluating a nation's wealth and productivity indicators based on its intellectual capital rather than solely relying on GDP.

The selected themes for the seminar cover a wide range of issues related to knowledge capital, encompassing diverse areas such as innovation, entrepreneurship, legal frameworks, industry-academia collaborations, and the societal impact of intellectual property. By addressing these themes comprehensively, the seminar aims to provide a holistic understanding of the role of intellectual capital in driving socio-economic development and fostering innovation-led growth in India.
