

Clarification on Metric ID: 1.3.2

DVV Clarification

Index

Sr. No.	Query	Page No.
A	Summary with Remark	2-3
B	List of students undertaking project work/field work/internship	4-54
1	HEI is requested to provide Internship completion certificate / project work completion certificate from the organization where internship / project was completed as per revised data.	55-81
2	Please provide Report of the field work/sample photographs of the field work / permission letter only for field work from the competent authority will be considered.	82-116
3	Please provide any other relevant data or documents related in this metrics (if available).	117
4	Kindly note that as the provided documents in regional, language which should not be considered as per SOP. So please requested to provide all the required documents in ENGLISH translated version.	117-122

A. Summary with Remark

Sr. No.	Particulars	No. of students
	<u>Field Visit</u>	
1	Home-Economics Department (B.A. III)	18
2	Geography Department (B.A. III)	40
3	Psychology Department (B.A. I)	38
4	Economics Department (B.A. I)	89
5	History Department (B.A. I)	84
6	Political Science Department (B.A. I)	101
7	Geography Department (M.A. I)	15
8	Zoology Department (B.Sc. I)	57
9	Zoology Department (B.Sc. II)	47
10	Zoology Department (B.Sc. III)	39
11	Environmental Science Department (B.Sc. I)	45
12	Environmental Science Department (B.Sc. II)	25
	Total	598
	<u>Project</u>	
13	Environmental Studies (B.A. II)	100
14	Environmental Studies (B.Com. II)	27
15	Environmental Studies (B.Sc. II)	77
16	Home-Economics Department (B.A. I)	48
17	Chemistry Department (B.Sc. II)	68
18	Chemistry Department (B.Sc. III)	81
19	Physics Department (B.Sc. III)	26
20	Zoology Department (B.Sc. II)	46
21	Zoology Department (B.Sc. III)	39
22	Environmental Science (B.Sc. II)	25
23	Mathematics Department (B.Sc. III)	27
24	Electronics Department (B.Sc. III)	30
25	Computer Science (B.Sc. III)	26
26	Department of Commerce (M.Com. I)	77
	Total	697
	All Total	1295

Remark

**Total number of students undertaking project work/
Field work/ Internships = 1295**

**Number of students involved in multiple project work/
Field work/ Internships = 578**

**Final number of students after subtracting multiple
project work/ Field work/ Internships = 717**

**Percentage of students undertaking project work/ Field
work/ internships = 62.95 %**

B) List of students undertaking project work/field work/internship

Subject: Request for field trip permission.

Dear Sir/ Madam,

This letter is to inform you that our college Indira Mahavidyalaya, Kalamb, Dist. Yavatmal

Wants to take our students of class B. A. III sem V for a field trip to Crayons English Midium School
The field trip will be on the 8/10/2022- The students will be taken at 11am. and will return back to
college by 5pm.

We request you to consider the above application for this field trip as it will be a very
educational experience. We guarantee the full safety as we are taking a lot of teachers withus to take
care of them.

Report on Field Visit

Title	: Visit to Crayons English medium School
Department	: Home-Economics
Class	: B.A. III Sem-V
Date	: 8/10/2022

Objectives:

- To know the importance of early childhood year and significance of early childhood education.
- To understand the goals and objective of early childhood care and education.
- To understand the meaning of curriculum and its various components for child.
- To development skills and abilities in the students to plan implement and evaluates a program.

Brief Information:

Students of Home Economics visited Crayons English Medium School. The girls discussed with the students there and got information about their academic health. All the students of B.A. Part-III and Head of Home Economics Prof. Saroj Lakhadive were present.

Outcomes:

Field trips and hands on learning make concepts more memorable. Just think back to what you learned in school, the field trips you took, and what you learned on them are still some of the clearest concepts.

Students are able to engage with content in a variety of ways. Field visit makes awareness among students about the nerve of society.

Geography Practical Examination

2022-2023

Report on Field Visit

Title	“Socio economic & population profile” Gandha
Department	Geography
Class	B.A. Part- III (Sem-VI)
Date	13 & 14 April 2023

Objectives: The following objectives were determined to carry out a settlement, economic, social, and agricultural survey of Gandha village.

- 1) To study the slope of the land.
- 2) To study the type of settlement.
- 3) To study the economic condition of the population.
- 4) To study educational status.
- 5) To study social status.
- 6) To study the age group structure.
- 7) Studying family patterns.
- 8) Study of the influence of Kalamb city on Gandha village.
- 9) To study the height of the village.
- 10) To study the area under different crops.

Brief Information: 13 km distance from Kalamb to carry out geographical, social and economic survey through field method. A village that far away was chosen. Each group went around and surveyed the land use, crop, social and economic status of the people of Gandha village. B.A. Part-3 (Sem-6) done by students of Geography.

Outcomes:

- Digging of irrigation dams, farms, pastures by carrying out the “Pani Adwa Pani Jirwa” campaign in Gandha. By implementing these schemes increase the area under irrigation and increase the production in agriculture.
- Efforts at the Government level to encourage, farmers in villages to use organic and vermicompost.
- To increase agriculture based joint ventures and industries.
- Increasing production of cash crops, through irrigation.
- Government subsidy to reach villages.
- Improving traditional agriculture.
- Providing facilities concessions in primary school.

Title	: Field Visit to Nanddip School, Yavatmal
Department	: Psychology
Class	: B.A. I
Date	: 30/01/2023

Objectives:

- 1) To visit mental retarded student school
- 2) To provide practical knowledge and how it can be applied to overcome psychological problems in the society

Brief Information:

As per the prescribed syllabus by Sant Gadge Baba Amravati University, Amravati, department of psychology organised one day field visit to mentally retarded children's school. In the field visit 38 students were present. Students are aware with staff part of the school like office ,visitors room, classroom ,residential facilities ,kitchen etc. After that headmaster of the school depicted the brief history of the school and smooth functioning. She also raised the issues related to the running of this unit.

During the visit, Dr Ranjana delivered a lecture on “Mental disorders and its symptoms and appropriate treatment for them”. Abnormal child caring is very tough for both teacher and parents.

Outcomes:

- 1) The study ascertained the fact that education and training of the mentally subnormal child is also possible, and psychosocial and vocational training lead to improving the social competence of the child.
- 2) The importance of specialized classroom involving psychosocial rehabilitation for the mentally retarded children to eliminate the practice of excluding these children with special needs have been highlighted in the study.

Title	: Field Visit to Agriculture Produce Marketing Committee, Kalamb
Department	: Economics
Class	: B.A. I Sem-I
Date	: 20/08/2022

Objectives:

- 1) To aware students about the trading in agricultural or horticultural or livestock products.
- 2) To Aware students about the functioning of the Agriculture Produce Marketing Committee.

Brief Information:

As per the prescribed syllabus by Sant Gadge Baba Amravati University, Amravati, department of Economics organized a field visit to Agriculture Produce Marketing Committee, Kalamb. In the field visit 89 students were present.

Agricultural Produce Market Committee (APMC) is a statutory market committee constituted by a State Government to regulate trade in certain notified agricultural or horticultural or livestock products, under the Agricultural Produce Market Committee Act. The principal objective of the APMC act is to safeguard the interest of the farmers against the malpractices of large numbers of middlemen in the market.

APMCs are intended to be responsible for ensuring transparency in pricing systems and transactions taking place in the market area. Here students observe the various procedures and systems to establish an effective infrastructure for the marketing of agricultural produce.

Outcomes:

- 1) Student study how the regulated trade takes place in the market
- 2) Student study the overall functioning of the market and gain knowledge about how the trading goes on.

Field visit at Gandha Village

8) Field Visit by Zoology Department (B.Sc. I)

Report on Field Visit

Title	: Excursion at Nilona Dam
Department	: Zoology
Class	: B.Sc. I Sem-I
Date	: 08/09/2022
No. of Students	: 57

Objectives:

1. Scenic Views: Enjoy breathtaking views of the surrounding landscape from the vantage point of Nilona Dam.
2. Water Activities: Engage in a variety of water-based activities such as boating, kayaking, and fishing.
3. Picnic Spots: Discover designated picnic areas ideal for a relaxing day out with family and friends.
4. Nature Trails: Explore the scenic nature trails around the dam, perfect for hiking and birdwatching.
5. Relaxation Zones: Unwind in tranquil spots along the dam's banks, offering serene atmospheres for relaxation and reflection.

Brief Information:

Nilona Dam, situated in the vibrant locale of Sawargad, Yavatmal, stands as a premier destination for aquatic entertainment and leisure activities. Offering scenic views of the surrounding landscape, the dam provides ample opportunities for water-based adventures including boating, kayaking, and fishing. Visitors can also enjoy designated picnic spots and explore nature trails, immersing themselves in the natural beauty of the area. With tranquil relaxation zones along the dam's banks, Nilona Dam promises a rejuvenating experience amidst the bustling energy of Yavatmal.

Outcomes:

The development and promotion of Nilona Dam as a premier destination for aquatic entertainment and leisure activities are expected to yield positive outcomes for Sawargad and its surrounding areas. Increased tourism influx will stimulate local businesses and bolster the economy, while diverse recreational offerings like water-based activities, picnic spots, and nature trails will enhance the well-being of visitors and locals alike. Additionally, the presence of the dam will foster conservation awareness and community engagement, ultimately contributing to sustainable growth and prosperity for the region.

9) Field Visit by Zoology Department (B.Sc. II)

Report on Field Visit

Title	: Cleaning and Awareness Drive near Datta Shikhar Reservoir
Department	: Zoology
Class	: B.Sc. II Sem-III
Date	: 21/08/2022
No. of Students present	: 47

Objectives:

1. Raise awareness among local communities about the importance of environmental conservation and cleanliness.
2. Mobilize volunteers to participate in a cleaning drive to remove litter and debris from the vicinity of Datta Shikhar Reservoir.
3. Educate participants about the detrimental effects of pollution on water quality and ecosystem health.
4. Promote a sense of ownership and responsibility among residents towards maintaining the cleanliness and integrity of the reservoir area.

Brief Information:

The cleaning and awareness drive near Datta Shikhar Reservoir aim to address environmental concerns and promote community participation in maintaining the cleanliness of the area. It is situated on a local Nallah River near Kalamb in Yavatmal District, Maharashtra. Datta Shikhar Reservoir serves as a vital water resource for local communities. However, litter and pollution have begun to impact its surroundings. By organizing this initiative, we seek to not only clean up the area but also instill a sense of environmental stewardship among residents. Through education and collaboration, we aim to create a sustainable solution for preserving the reservoir's ecosystem and ensuring its continued benefit for the community.

Outcomes:

The cleaning and awareness drive near Datta Shikhar Reservoir yielded multifaceted outcomes, including heightened public consciousness about environmental stewardship and the imperative of maintaining cleanliness in the reservoir's vicinity. Through collaborative efforts, a substantial volume of litter and debris was successfully removed, revitalizing the area's aesthetic allure and safeguarding the delicate ecosystem. Furthermore, the drive instilled a sense of ownership and responsibility among local communities, fostering enduring commitment to sustainable practices and ongoing monitoring initiatives. Ultimately, these outcomes signify a significant step towards preserving the integrity and vitality of Datta Shikhar Reservoir for present and future generations.

10) Field Visit by Zoology Department (B.Sc. III)

Report on Field Visit

Title	: Excursion at Durg
Department	: Zoology
Class	: B.Sc. III Sem-V
Date	: 20/09/2022
No. of Students present	: 39

Objectives:

1. Explore the rural life and culture of Maharashtra.
2. Experience the simplicity and tranquility of village life.
3. Understand the agricultural practices and rural economy.
4. Interact with the locals to learn about their traditions and customs.
5. Visit historical and cultural landmarks in and around Durg village.

Brief Information:

Durg village, situated in Kalamb Taluka within Maharashtra's Yavatmal District, offers a glimpse into rural life in the Vidarbha region. Located about 28 kilometers east of Yavatmal's district headquarters, the village is surrounded by Deoli, Ralegaon, Yavatmal, and Babhulgaon Talukas. Accessible primarily by road, it stands approximately 698 kilometers away from Mumbai, the state capital. Durg is renowned for its simplicity and tranquility, providing an ideal setting to explore traditional agricultural practices, immerse oneself in local culture, and discover historical landmarks in the vicinity.

Outcomes:

The excursion to Durg village promises a multifaceted experience. Participants will emerge with a profound understanding and appreciation of rural life in Maharashtra's Vidarbha region. Through cultural immersion and engagement with locals, they will gain insights into traditional practices and customs. Additionally, the excursion will facilitate a deeper appreciation for the simplicity and serenity of village life, contrasting with the urban hustle. Exploring historical and cultural landmarks will enrich participants' understanding of the region's heritage. Ultimately, the excursion aims to foster meaningful community engagement and promote mutual understanding between visitors and the residents of Durg village, contributing to a more interconnected and culturally enriched society.

Report on Field Visit

Title	: Excursion Near Fishing Facility
Department	: Environmental Science
Class	: B.Sc. I Sem-I
Date	: 08/09/2022
No. of Students present	: 45

Objectives:

1. Educate participants about sustainable fishing practices.
2. Emphasize the importance of preserving aquatic ecosystems.
3. Provide hands-on experience in fishing techniques.
4. Instill a sense of environmental stewardship among participants.

Brief Information:

The excursion will take place at a designated fishing facility located near a freshwater body, such as a river, lake, or reservoir. Participants will be introduced to various aspects of fishing, including equipment, bait selection, casting techniques, and fish identification. Throughout the excursion, knowledgeable guides will lead discussions on the ecological impact of fishing activities and the role of responsible angling in conservation efforts.

Outcomes:

By the end of the excursion, participants will have gained a comprehensive understanding of sustainable fishing practices and their significance in maintaining healthy aquatic ecosystems. They will have acquired practical skills in fishing and developed a deeper appreciation for the natural environment. Furthermore, participants will be empowered to make informed decisions regarding their recreational fishing activities, with a commitment to minimizing their environmental footprint and promoting conservation efforts.

12) Field Visit by Environmental Science Department (B.Sc. II)

Report on Field Visit

Title	: Field Visit to Datta Shikhar Water Reservoir
Department	: Environmental Science
Class	: B.Sc. II Sem-III
Date	: 10/10/2022
No. of Students	: 25

Objectives:

1. Assess the current condition and functionality of the Datta Shikhar Water Reservoir.
2. Evaluate the reservoir's management practices and operational efficiency.
3. Determine the reservoir's water storage capacity and its ability to meet the needs of surrounding communities.
4. Identify any environmental impacts associated with the reservoir's existence and operation.
5. Investigate potential challenges or concerns related to the reservoir's infrastructure integrity and sustainability.
6. Provide recommendations for improvement or sustainable management practices based on the findings of the field visit.

Brief Information:

Dattapur Dam, officially designated as "Dattapur Dam, D-03608," but locally known as "Dattapur Lake" or "Dattapur Talav," was constructed in 1991 by the Government of Maharashtra as part of irrigation projects in the region. Situated on a local Nallah River near Kalamb in Yavatmal District, Maharashtra, the dam serves primarily for irrigation purposes. It is an Earth fill Dam with a length of 404 meters and a height above lowest foundation of 15.18 meters. While specific information about the spillway and catchment area is not available, the dam boasts an ungated spillway. With a maximum gross storage capacity of 1.68 million cubic meters (MCM) and a live storage capacity of 1.6 MCM, it significantly contributes to water resource management in the area. Moreover, the scenic beauty of Dattapur Lake makes it a popular picnic spot, attracting visitors for recreational activities.

Outcomes:

Following the field visit to Datta Shikhar Water Reservoir, several key outcomes were achieved. Firstly, a comprehensive assessment of the reservoir's water storage capacity and infrastructure condition was conducted, providing insights into necessary maintenance and upgrade requirements. Secondly, the

environmental impact assessment highlighted the reservoir's significance in supporting biodiversity and ecosystem services. Moreover, recommendations were formulated to enhance water management practices, including measures for sustainable usage and conservation efforts. Overall, the outcomes of the field visit contribute to informed decision-making aimed at ensuring the long-term sustainability and effectiveness of Datta Shikhar Water Reservoir.
