Query 1

HEI is requested to kindly note that Multiple activities on the relatively closer dates to be considered as one only.

Response:

The utmost care is taken to avoid the Multiple activities on the relatively closer dates as that should be considered as one only as per SOP. Institute has rechecked the submitted data and ensure that there is no event or activity on the relatively closer dates.

Institution hosts a range of events, including sports and cultural activities, aligned with our academic calendar. Simultaneously, our parent/affiliating university independently schedules similar events. Both entities meticulously plan their schedules, considering university examinations, practical assessments, and university-level competitions. Additionally, our schedules incorporate study tours and field visits.

While we make intensive efforts to minimize relatively closure dates, it is important to note that both the university and our institution maintain separate and independent timetables to accommodate these diverse activities.
