Brochure Online Faculty Development Programme “Research Methodology-07 july-13 july 2021”

endeavor and its final outcome. The process of research and the associated tasks need to be conceptualized appropriately to bring in the much-needed quality in the research. Every task involved, like collection of data, searching literature review, deriving a mathematical or computational solution or presentation of the results, requires a concrete and systematic approach. Formulation of such an approach requires immense deliberation in terms of the tools and techniques to be deployed as well.

This Online Faculty Development Programme is diligently planned around developing the foundational knowledge needed to step into the arena of research. The programme is an effort towards exploring different dimensions and paradigms of research. The sessions intend to enhance the ability of the participants to undertake independent research in a planned manner, identify appropriate and significant literature review, design questionnaires, collect and analyze data, perform simulations and, to assist them in writing research papers for good quality journals. The participants will be trained to use several open source tools that are useful in accomplishing their research outcomes. The primary tools covered are those that would aid a researcher in a systematic background knowledge probe, data visualization, and effective presentation of results, writing research paper, preparation of reports and thesis, and prevention against plagiarism. The FDP is designed to disseminate knowledge of some of the important digital tools used for academic purposes. One will learn how to create individual research profiles, find relevant and good quality journals. The sessions would be an amalgamation of the much-needed digital skills which can play a significant role throughout the research process.

MAJOR THEMES FOCUSED FOR THE ONLINE FACULTY DEVELOPMENT PROGRAMME

- ◆ Research Philosophy and Design
- ◆ Problem identification and literature review
- ◆ Data collection and analysis
- ◆ Writing Research Papers using LaTeX
- ◆ Referencing Tools
- ◆ Visualization Tools
- ◆ Advanced Searching Tools
- ◆ Scientific Journal Finder
- ◆ Indexing and Impact Factors
- ◆ Patent, Copyright and Plagiarism
- ◆ Publication Ethics
- ◆ Creating Research Profile and Collaborations

EXPECTED OUTCOMES

After successful completion of the online program, the participants will be able to:

- ◆ Comprehend the research process and underlying design principles
- ◆ Gain better understanding on how to identify a research problem and design a valid research project to answer specific research questions
- ◆ Get hands-on training in the usage of several open source tools that can assist them in their research endeavors
- ◆ Effectively analyze and present their data and research outcomes
- ◆ Write effective research papers and thesis in the journal designated formats using online tools
- ◆ Gain awareness on the concept of originality of research
- ◆ Know the process of finding good quality journals for research and publishing
- ◆ Establish collaborations with the research community

ELIGIBILITY

◆ The FDP is open to Faculty members (regular/ad-hoc/temporary/guest) from any Indian university/ college and registered Ph.D. research scholars.

◆ All the participants are requested to register online by browsing the link from website on or before 30th June, 2021.

◆ Registration for all the participants is mandatory.

The Department of Physics & Electronics organized a One Day Awareness Workshop on Single Use Plastics and Alternative Materials at the Seminar Hall on January 21, 2023. The workshop, attended by 56 enthusiastic participants, aimed to enlighten attendees about the harmful effects of single-use plastics and explore sustainable alternatives.

Dr. Deepak Bhagat from Neharu Mahavidyalaya, Nerparsopant, served as the resource person for the workshop. Through insightful presentations and interactive discussions, Dr. Bhagat highlighted the urgency of reducing plastic consumption and introduced eco-friendly alternatives.

Throughout the workshop, participants actively engaged in discussions and shared their perspectives on plastic pollution. Dr. Bhagat's expertise deepened their understanding of the environmental challenges posed by single-use plastics, inspiring them to adopt greener practices in their daily lives.

The workshop concluded with a collective commitment from participants to minimize their plastic usage and promote sustainability. Overall, the event was a resounding success, successfully raising awareness about the importance of combating plastic pollution.

Multi-disciplinary National Conference on NEP-2020: Innovation in Teaching-Learning & Evaluation Process in Higher Education 24-26th February 2023

Organized by
Indira Mahavidyalaya
Kalambe, Dist. Yavatmal, Maharashtra
In collaboration with
DSMRC, Ruland Amravati University Nashik Pradhikaran Parbhani

About our college:
Indira Mahavidyalaya, Kalambe, Dist. Yavatmal of Maharashtra state established in 1983 is re-accredited with B+ grade by NAAC. College is under 2f and 12(B) of UGC with permanent affiliation by Sant Gadge Baba Amravati University. Institute is on grant-in-aid basis having Arts, Commerce and Science faculty at graduate and post graduate level.

Concept Note:
NEP-2020 outlines a new vision of the education system in India. NEP offers a comprehensive framework for reforming the education in India from elementary to higher education. The policy focuses on flexibility in choosing subjects, skill development and internationalisation of education.

Objectives:

- To create awareness on the perspectives of the National Education Policy 2020.
- To visualize a unique education system to meet the global standards of education.
- To identify and bridge the gaps in curriculum and attainment of future learning outcomes.
- To discuss the roadmap towards a holistic education.
- To aid in materializing the vision of transforming India into a vibrant knowledge society.

REPORT

Name of the workshop/ seminar/ conference	Workshop on Research Opportunities in Life Sciences
Date	21/03/2023
Number of Participants	31
Venue	Department of Zoology
Name of the Resource Person	Dr. Ashwin Atkulwar

The Department of Zoology at Indira Mahavidyalaya Kalamb organized an illuminating workshop focused on Research Opportunities in Life Sciences, with a special emphasis on Research Methodology. The workshop, held on March 21, 2023, aimed to provide attendees with insights into the diverse research avenues within the field of life sciences and equip them with essential methodological tools. Dr. Ashwin Atkulwar, an esteemed expert in the field, led the session, guiding participants through the intricacies of research methodology and highlighting emerging opportunities in life sciences research.

The workshop commenced with an opening address by the organizing department, underscoring the importance of research in advancing knowledge and addressing contemporary challenges in life sciences. Dr. Ashwin Atkulwar, with his profound expertise and experience, then delved into various research methodologies, including experimental design, data analysis, and interpretation techniques, tailored specifically for life sciences research.

Throughout the workshop, attendees, comprising students, researchers, and educators, actively engaged in discussions, practical exercises, and case studies, gaining valuable insights into the application of research methodology in diverse areas of life sciences, such as ecology, genetics, and biotechnology. Dr. Atkulwar's interactive teaching style and real-world examples facilitated a deeper understanding of complex concepts and inspired participants to explore new research horizons.

The Department of Zoology at Indira Mahavidyalaya Kalamb extends its gratitude to Dr. Ashwin Atkulwar for his invaluable contributions as the resource person and to all participants for their active participation and enthusiasm. For those interested in further information or inquiries, please contact the Department of Zoology, Indira Mahavidyalaya Kalamb.

A one-day workshop titled "Maths Tricks for Competitive Exams" took place on March 14, 2022, at the Seminar Hall of Indira Mahavidyalaya Kalamb. The workshop, attended by 30 enthusiastic participants, aimed to equip individuals with essential mathematical tricks and shortcuts for excelling in competitive examinations. Leading the session was Prof. Swapnil Gore, a distinguished expert renowned for his proficiency in mathematical techniques. The workshop commenced with an opening address by the organizing department, underscoring the significance of mastering mathematical skills in competitive exams and the effectiveness of leveraging strategic shortcuts and techniques. Prof. Swapnil Gore then took the stage, captivating participants with his innovative approach to problem-solving and his extensive knowledge of mathematical tricks.

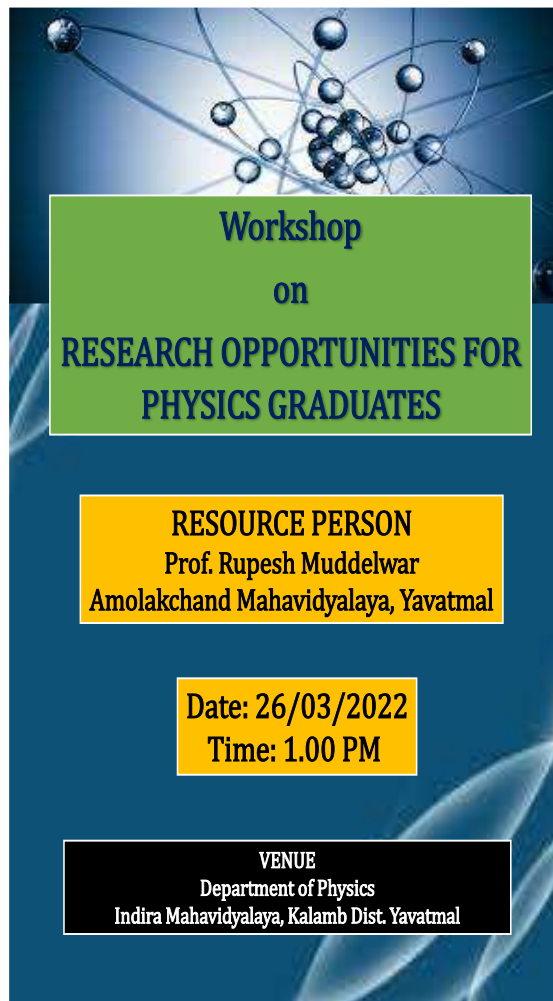

Throughout the day, participants, comprising students and aspirants of competitive exams, were introduced to a plethora of mathematical tricks and shortcuts tailored specifically for exam preparation. Prof. Gore elucidated various techniques to swiftly tackle complex mathematical problems, covering diverse topics such as arithmetic, algebra, geometry, and data interpretation. Interactive sessions and practical exercises allowed participants to actively engage with the material and refine their newfound skills under Prof. Gore's expert guidance. The collaborative atmosphere facilitated fruitful discussions, enabling participants to exchange insights and learn from one another's experiences.

As the workshop ended, participants left with enhanced mathematical proficiency and a toolkit of valuable tricks and shortcuts to aid them in their competitive exam journey. The Department of Mathematics at Indira Mahavidyalaya Kalamb extends its appreciation to Prof. Swapnil Gore for his invaluable contributions, and to all participants for their active participation and enthusiasm. On March 26, 2022, the Department of Physics hosted a transformative workshop titled Research Opportunities for Physics Graduates aimed at empowering 28 eager participants with insights into the diverse realms of scientific exploration. Renowned expert Prof. Rupesh Muddelwar served as the guiding force, leading attendees through an enlightening journey of discovery and potential.

The workshop commenced with a warm welcome, setting the stage for an engaging exploration of the myriad opportunities awaiting physics graduates. Prof. Muddelwar, drawing from his rich reservoir of experience, elucidated the evolving landscape of physics research, emphasizing the critical role played by graduates in advancing scientific frontiers. Through interactive sessions and thought-provoking discussions, participants were exposed to a broad spectrum of research avenues spanning academia, industry, and interdisciplinary collaborations. Prof. Muddelwar's guidance illuminated the path towards harnessing one's potential and leveraging opportunities for impactful contributions to the scientific community.

A one-day workshop on Youth Suicide Prevention was held on April 23, 2022, at the Smart Class Room of Indira Mahavidyalaya Kalamb. The workshop, attended by 25 participants, aimed to address the critical issue of youth suicide through an exploration of effective prevention strategies and research methodologies. Led by renowned expert Prof. M.P. Rakhunde, the workshop provided attendees with valuable insights into the complexities of youth suicide and the importance of employing robust research methodologies to tackle this pressing societal concern. Throughout the session, Prof. Rakhunde guided participants through various quantitative and qualitative research techniques, emphasizing their relevance and ethical considerations in the context of youth suicide prevention.

The workshop fostered an environment conducive to collaboration and knowledge exchange, as attendees, comprising educators, researchers, mental health professionals, and students, actively engaged in interactive sessions, workshops, and discussions. Prof. Rakhunde's expertise, coupled with the enthusiasm of the participants, ensured that the workshop was both informative and inspiring, motivating attendees to contribute meaningfully to the ongoing efforts in youth suicide prevention.

As the workshop concluded, participants departed with a renewed understanding of the complexities surrounding youth suicide and a commitment to leveraging research methodologies to address this critical issue. The Department of Geography at Indira Mahavidyalaya Kalamb extends its gratitude to Prof. M.P. ABOUT THE COLLEGE
Indira Gandhi Kala Mahavidyalaya, Kalamb was established in the year 2008. This college was blessed by the name of Indira Gandhi, the first lady Prime Minister of India. This college is offering undergraduate courses B. Sc., B. B. A. The college is accredited by NAAC with 'B' Grade B affiliated to Yashwantrao Chavan Pratishthan, Amravati. The main objective of college is to provide opportunity for good quality of higher education to the rural & tribal students of this region. The college is putting more efforts for all-round development of student's personality through organizing various academic, co-curricular, extracurricular & skill-based training programmes. The faculty members of the college are actively involved in project & research work for solving local problems. The college is planning to start PG courses in various subjects which will improve the employability of rural & tribal students. Today, college has acquired a prominent position not only in Kalamb region, but across the entire Yavatmal district.

ABOUT THE DEPARTMENT OF CHEMISTRY
The department was established in 2010. The department has well equipped laboratory and qualified teaching and supporting staff. It conducts various activities like inter-collegiate quiz competitions, exhibitions, short-term courses, workshops, industrial visits etc. for the development of students' personality and improving their professional skills. The Department is planning to establish research Centre for the Ph.D. research work and research which is useful to local society. The department has better quality testing and self testing facility.

About us

Indira Mahavidyalaya, Kalamb has a remarkable history spanning nearly three decades. Founded by the visionary leader late Dr. Bhanuabai Mandavkar, who served as the institution's founder president, the college stands as a beacon of higher education in a rural, tribal, and underdeveloped area. Dr. Mandavkar's vision was to provide open access to higher education for all, regardless of caste or color, thereby uplifting the community in this underserved region.

Permanently affiliated with Sant Gadge Baba Amravati University, the college offers education across arts, commerce, and science faculties. By providing such diverse academic opportunities, the institution aims to empower the rural youth and harness their potential, recognizing their crucial role in India's journey towards becoming a global power.

Through its commitment to education and the betterment of the community, Indira Mahavidyalaya, Kalamb, continues to be a catalyst for positive change in the region, contributing to the overall development and progress of its students and the society at large.

About Seminar

The growing recognition of the pre dominance of knowledge and intellectual capital in wealth creation, both at the national and individual levels, underscores the importance of effectively managing intellectual property rights (IPRs) in today's global economy. In recent years, there has been a shift towards evaluating a nation's wealth and productivity indicators based on its intellectual capital rather than solely relying on GDP.

The selected themes for the seminar cover a wide range of issues related to knowledge capital, encompassing diverse areas such as innovation, entrepreneurship, legal frameworks, industry-academia collaborations, and the societal impact of intellectual property. By addressing these themes comprehensively, the seminar aims to provide a holistic understanding of the role of intellectual capital in driving socio-economic development and fostering innovation-led growth in India.

About us

Indira Mahavidyalaya, Kalamb has its rich history almost from last three decades. Our visionary leader late Dr. Bhanusaheb Mandavkar founder president of the institution wanted the people of this rural tribal & undeveloped area to have higher education with open access system, irrespective of caste & colour. Institution is imparting education for upliftment of this undeveloped area.

The college is permanently affiliated to Sant Gadge Baba Amravati University. The college runs arts, commerce & science faculty. We believe that utilization of the rural youth power is critically important for India on its growth path to become global power.

About Seminar

The predominance of knowledge/intellectual capital in wealth Creation, from countries to individuals in a global economy has assumed prominence in the past few years. As we write this it would not be surprising if a nations wealth/productivity indicators are linked to it's intellectual capital rather than its GDP. The life cycle of intellectual property goes through various stages from identification to utilization with emphasis on documentation and management of the same.

Given the above, protection and management of IPRs not only assumes critical importance but enhances motivation to develop and disseminate scientific and technological innovations.

This seminar will create and facilitates a stimulating environment for the development and exchange of ideas in the management of IPR with special emphasis on budding students and faculties. The seminar aims at linking creation and protection of knowledge capital to improvement in the quality of life in the Indian context. The themes chosen focus on broad areas intended to cover the whole spectrum of issues related to knowledge capital in diverse areas.
