VISION:

- To set the quality defining elements in various aspects of institution

MISSION:

- To stimulate the academic ambience
- To promote quality of teaching –learning, research, and Community engagement.
- To encourage self-evaluation accountability and innovations.

POLICIES OF IQAC:

The Internal Quality Assurance Cell (IQAC) of the college is primarily focused in internal quality. The primary objective of the IQAC is to investigate rather than at the college processes with a perspective of providing quality to all the stakeholders.

Understanding the significance of the IQAC has attempted over the years to systemize processes through which quality enhancement can be achieved. The IQAC has also perceived that quality enhancement initiatives need to be decentralized, rather than nodal, with several activity heads being appointed and each deploying their activities as a separate team.

The college IQAC quality policy for all stakeholders is manifesto from involvement to development. This policy ensures that all the stakeholders, mainly the staff and the students involve themselves in all activities of the college during their tenure.

- At par of NEP, IQAC is always receptive for innovations in teaching–learning research, Consultancy, Global education, which contributes in higher Education
- To stimulate the academic ambience of promotion of quality teaching –learning and research in campus.

INTRODUCTION

ISO 9001 Certification is a globally recognized standard to stipulate requirements for Quality Management System in all businesses. It is a set of standards developed and published by the International Organization for Standardization (ISO), which defines, builds and maintains an effective quality assurance system for manufacturing and service industries. The Quality Management Principles of ISO 9001:2015 utilize the Plan, Do, Check, Act cycle as a guide toward improving performance.

In an educational context, ISO needs to demonstrate its ability to support the acquisition and development of competence through teaching, learning or research. The ISO certification for quality management systems presents the delegation to flexibility, constant development and provide high-grade quality education to the students.

Indira Mahavidyalaya, Kalamb initiated the process of ISO certification in 2021. The internal audits were conducted on September 30, 2022 and October 24, 2023. The external audit for certification was conducted on November 30, 2022 and the First Surveillance Audit is scheduled on November 30, 2023. The Second Surveillance Audit is scheduled to be conducted on November 30, 2024.

CHANGES IN THE MANAGEMENT SYSTEM / CONTRACT REVIEW

No major changes have been made to the management system and the management system documentation since the last Visit. The order details which form the basis of the audit (including number of employees, scope and sites) reflect the actual situation in the organization.

The description of the scope in the certificate appropriately reflects the scope of the management system.

The audit plan was not changed during the audit.

Changes to the original audit plan were made during the audit. They are documented in the audit plan and were agreed with the customer on site.

GOOD PRACTICES

- Adopting innovative teaching methods
- Imparting and encouraging learning of new techniques to the staff and keeping their motivation level high
- Retention of good and dedicated faculty
- Providing excellent infrastructure and conducive learning environment
- Total commitment to comply with all the legal requirements
- Responding to the changes both in technology and applications
- Associating with leading industries and research institutions
- Continually improving the effectiveness of our processes and system

QUALITY INITIATIVES

- To Improve students' & parents' satisfaction rate
- To minimize the overall failure percentage of students
- To enhance performance of students in extracurricular activities
- To make students ready and competitive for their career/ entrepreneurship
- To provide need-based training to all the teaching staff

AUDIT FINDINGS AND RESULT

All information gained during the audit will be treated with strict confidentiality by the auditor and the certification body. In view of the sampling approach applied to the audit, weaknesses and nonconformities may still exist which have not been identified during the audit.

Management system effectiveness was verified on site by means of random sampling by an appropriately selected audit team. This applies in particular to the compliance of workflows with standard requirements and the descriptions in management system documentation. The special features of the organization's business activities, the applicable statutory and regulatory requirements and the requirements set forth in other generally applicable documents were also taken into account. This was done by means of a sampling approach, by conducting interviews and reviewing the appropriate documentation.

The organization has determined internal and external issues related to the following subject areas:

External Issues including:

- University regulations
- Government Norms for admission

- Recruitment of staff

Internal Issues Including:

- Employee Shortage
- Syllabus completion

SUGGESTIONS

- Capturing of all possible evidence for teaching learning including attendance to be planned and executed.
- Strategic planning from the management to be recorded.
- Feedback / Survey questionnaire may be circulated and collected regularly.
- Review process of question papers, documents, records is to be strengthened.
