8. Learning Outcomes :

1. Student Induction Programme helps student to get acquainted with the semester pattern in autonomy which was different than the annual pattern.
2. Student Induction Programme facilitates interaction between teachers and students before the commencement of the regular classes. This interaction & planning helps in effective delivery of lectures and tutorial/practical.
3. The Creative Arts and communication games helped students to improve the mental attitude, confidence, coordination & rapport among the students.
4. During Library Orientation Session, students got well acquainted with the library facilities. They got an idea about how to access the library and general rules and regulations the students should follow.
5. Online scheduling of Student Induction Programme feedback & test helps in speedy analysis.

9. SWOC Analysis :

Sr. No.	Strength	Weakness	Opportunity	Challenges
1.	Student Induction Program is conducted for first two week which was helpful in streamlining all activities spread throughout the semester.	Because of introductory program, students take less interest in attending Student Induction Program.	Students will be well informed about the Program educational objectives and outcomes, quality objective and outcomes.	On-going admission process and volatile student movement.
2.	During Student Induction Program, pre-requisite knowledge of the subject is delivered which helps the students focus on the course syllabus.	Students have missed Student Induction Program due to late admission.	Explanation of the prior knowledge helps the students in better application of concepts.	To compensate the loss of teachings of Student Induction Program week to late admission students.

10 . Conclusion :

- 1.Student Induction Program was conducted for all students so that they get to know the course structure and the importance towards quality education.
2. Among the students attending the Induction Training Program test, 89.83% students have passed the Student Induction Program test.
3. Overall Student Induction Program average feedback is good and excellent .
